

You can't tell that someone has heterotaxy syndrome just by looking at them. Remember: everyone might be fighting a battle you know nothing about, so choose kindness!

**May 4th is Heterotaxy Awareness Day!**

*This random act of kindness was done in honor of:*

The chance of being born with heterotaxy syndrome is about 1:10,000.

We're trying to make kindness  
**MUCH** less rare!

**May 4th is Heterotaxy Awareness Day!**

*This random act of kindness was done in honor of:*

**In a world where you can be anything, we choose to be kind!**

**May 4th is Heterotaxy Awareness Day!**

*This random act of kindness was done in honor of:*

**Heterotaxy syndrome is random;  
kindness can be random too!**
